Access our website to obtain information on technical characteristics.

www.undefasa.com

A modern outdoor lounge area featuring a large, triangular skylight in the ceiling that provides natural light. The floor is covered with artificial green grass, bordered by a light-colored stone or concrete patio. In the background, there is a swimming pool and a dense line of trees. The furniture consists of several pieces: a large white sectional sofa with blue and white striped cushions, a dark wood-framed sofa with light-colored cushions and striped ottomans, and a single dark wood-framed armchair with a light cushion and striped ottoman. The overall aesthetic is clean, minimalist, and sophisticated.
