

# DELTA

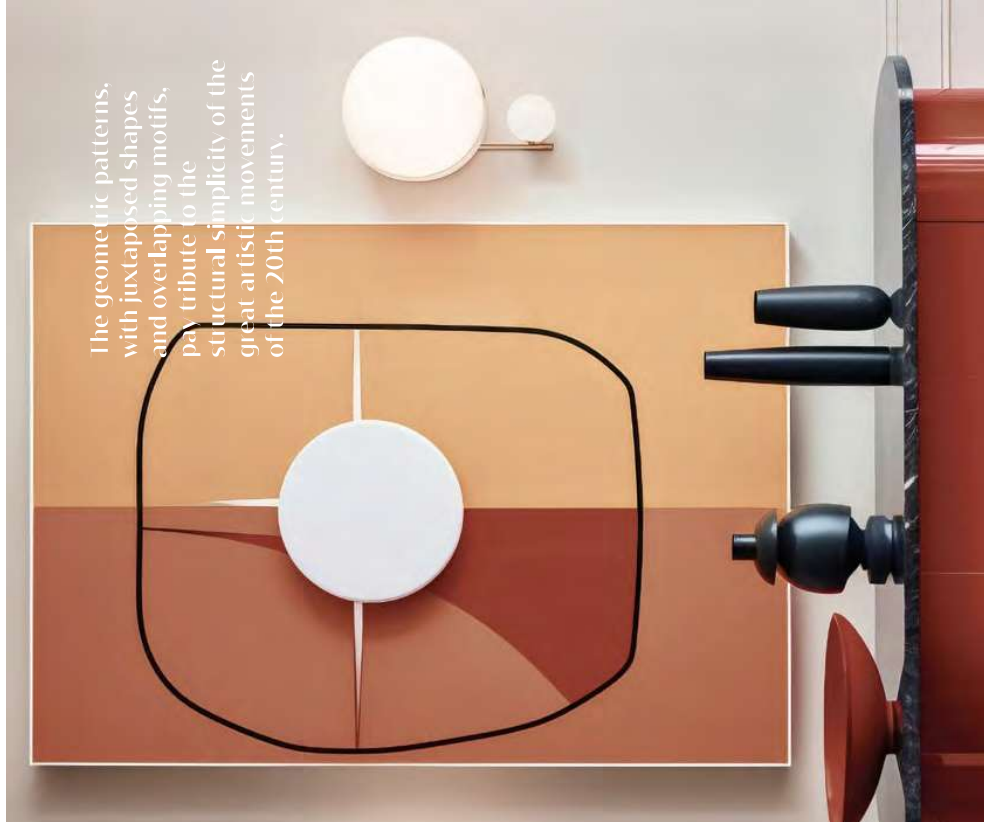

La esencia de Delta radica en la fusión de elementos tradicionales y modernos, con un guiño especial al arte abstracto y las composiciones de la Bauhaus.

The essence of Delta lies in the fusion of traditional and modern elements, with a special nod to abstract art and Bauhaus compositions.

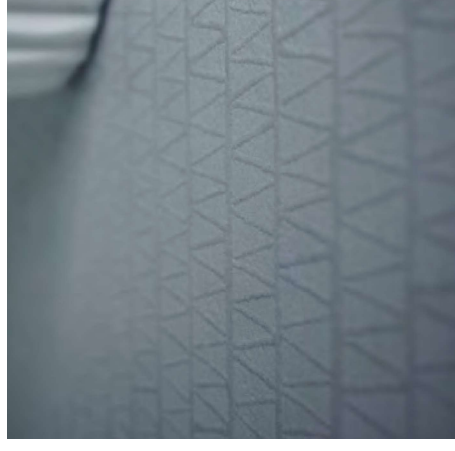

DELTA

Delta / 31,5X100\_17X40" / white body\_pasta blanca

The geometric patterns,  
with juxtaposed shapes  
and overlapping motifs,  
pay tribute to the  
structural simplicity of the  
great artistic movements  
of the 20th century.

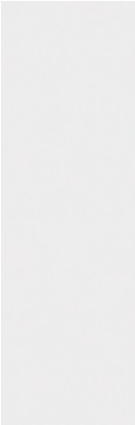

Los patrones geométricos,  
con formas yuxtapuestas y  
motivos superpuestos, rinden  
homenaje a la simplicidad  
estructural de los grandes  
movimientos artísticos  
del siglo XX
